

# **KQuIP SW Essential QI – Vascular Access**

**Welcome and Introductions**  
**Mickie/Lucy/Albert**

# Housekeeping

Be present – avoid distractions such as emails and phone calls

Presentations will be recorded – please put yourself on mute if not presenting.

Please use the chat to ask any questions of the presentations or to each other.

Photographs will be taken throughout the workshop to be used for post workshop communications

Breakout rooms:

- Please participate – these are your time and space to move the project forward.
- No idea is a bad idea – please share your thoughts
- Be kind, compassionate and empathetic to each other.
