

Ideas for change

Ideas for change - themes

Infrastructure

- Resourced and skilled Workforce
- Referral process
- Resourced AKCC
- Education for staff
- Data collection/reporting

Patient

- Patient information
- SDM

Pathway

- Timely referral (eGFR)
- Signposting to support services/HCE primary care/primary care

Barriers

COMMUNICATION

Poor skills and
competence of
workforce

Patient information

No formalised
pathway

No standardised
outcome measures
Poor data collection
to identify patients

Change ideas

COMMUNICATION

AKCC – crib sheets
Staff survey developed
Education module
Patient booklet – choices +
SDM
Posters
CPR leaflet
Admission to ITU

Develop and
implement
pathways of good
practice – those on
RRT and in AKC
Agree and
implement ACP
pathway

Agree a simple set
of measures and
start collecting
them
