

What does kidney care look like where you are?

2025 results

Kidney PREM is the annual survey which gives you the chance to have a say about your experience of kidney care and help drive improvements in local services.

17,334
people completed
the survey

Patients rate their experience on a scale of 1-7 where 1 is the lowest and 7 is the highest. Average scores are reported for each question and for each centre.
