

UK Renal Registry 27th Annual Report Addendum

The following changes were made to the UK Renal Registry 27th Annual Report – data to 31/12/2023 – on 21 November 2025:

Chapter 4

Table 4.4

Following a review and reconciliation with [NHSBT's published report](#), 18 data entries have now been suppressed as "N/A" in this table as centres should have been omitted where less than 75% of the data was reported. These entries include: Belfast (Deceased donor, Adj 1 yr survival, Graft and Patient), Covnt (Deceased donor, Adj 5 yr survival, Graft and Patient), L West (Deceased donor and Living donor, Adj 5 yr survival, Graft and Patient), Plymth (Deceased donor and Living donor, Adj 5 yr survival, Graft and Patient; Living donor, Adj 1 yr survival, Graft and Patient), Sheff (Deceased donor and Living donor, Adj 5 yr survival, Graft and Patient).
