

National MN Patient Forum

March 19th 2016

held at Manchester Royal Infirmary

Workshop

- Why are patients views important?
- What can patients do to contribute to research?
- What could a patient-led UK MN group do?
- How did I get MN?
- What treatment side effects did I get?

Workshop

- 1. Introduction to the workshop
- 2. Overview of the workshop
- 3. Key findings and conclusions
- 4. Recommendations and next steps
